JANIMES.COM

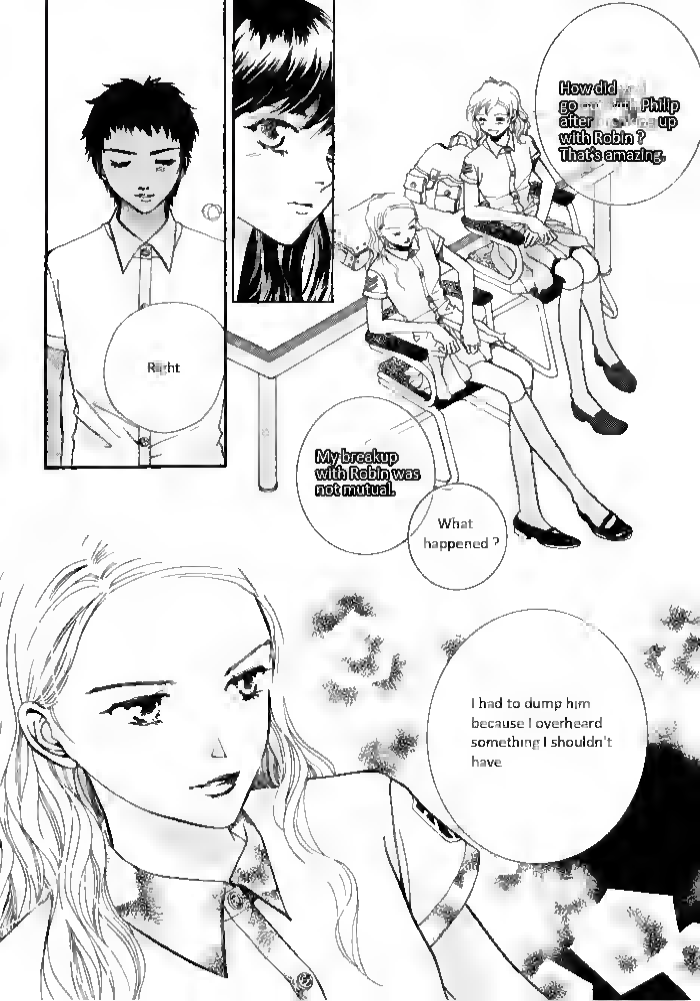
It seems you two don't talk a lot ?
We are club mates now. We should get along
Actually—
While you were gone there were some — comical events.
It was so trivial that I didn't tell you though
Yeah ? What happened ?

I went out with Robin for a while
After breaking up, I went out with Philip for a while.
What ... ?
Really ?
We broke up a while ago. isn't that funny ?

I cannot believe that she's saying that so casually...
You going out with the two ?! No way, no way !
Did you think it was possible ?!
You are so right. It didn't work, did it, Philip.



How did go with Philip after up with Robin ? That's amazing.
Right
My breakup with Robin was not mutual.
What happened ?
I had to dump him because I overheard something I shouldn't have.

The guys said they were so jealous
Hmph
A date with Joo-Hyang ?
Why not ! She's pretty and is a good online player They may not say out loud, but they look up to her
Even I am a little jealous, dude
RRRRR
RRRRR
Hello ?
Ah, Minah !

Wow, how are you doing ? How is seattle ? How is school ?
Uncle, it's Minah !
Of course, I miss you, girl ! We are doing fine !
What took you so long to call ?
Hold on Robin is with me. Let me pass the phone.
...Yeah ? I see. Do call us later Alright
Bye !
Huh, what ?
She said she couldn't call for too long
Have fun..
What did you say a moment ago ?

What ?
You said you were jealous
Oh, yeah-
Then will you take her away from me ?
What's the supposed to mean ? I am going to tell Joo-Hyang !
I was joking. It was a joke.
ㅋㅋㅋ

I am leaving.
I dumped him on that day
To this day, he doesn't know why I dumped him like that

Hey ..., we were just joking around..
Even if we weren't it didn't mean anything
I am over it That's why I am able to tell you
Besides, I knew it was wrong to begin with anyway
Robin liked somebody else
Who ?

So ....
She decided to make a fool of me here today, I see !
Ah !
It must have been Whe !
You don't have to give me cues. I already know who it was !
Ah ? But he met Wha after we ....
Right.
It was me.

You know how popular he is. Gossips could have gotten around with different names
But it was me. He proposed to me
I believe it was someone else
I know I am sounding like such a bitch, but I am not going to lose to her ! Besides, she started it !
Is that so ?
It is so

Maybe, I should tell them
That it was Minah.
Perhaps, I should tell them as well
That you dated Philip just to get your revenge on Robin
Why don't you ?!
?
?

I am leaving.
I have to go home
Wha !
Wha

Let go !

Woah
Woah
I am going home !
What made you turn into an angry bull again ?
Do not join the inline skate club !

Why all of the sudden ?
Got it ?!
Don't join the inline skate club !
I don't like it ! I don't like it at all !
Fine
I cannot leave my flower arrangement art club anyway If I leave, the club will not have enough members to stay afloat.
I was going there to tell them that
What happened ?

Did Joo Hyang say something again ?
Ahah ..
I don't like this side of me...
No... it's not that...
Why am I like this...
Yep, sure you were
It was like a bull was charging at you but stopped right in front of you and said, "I am going home.
Don't make fun of me!
Sorry for yelling at you I guess you looked and sounded funny

JANIMES.COM

For me, the moment

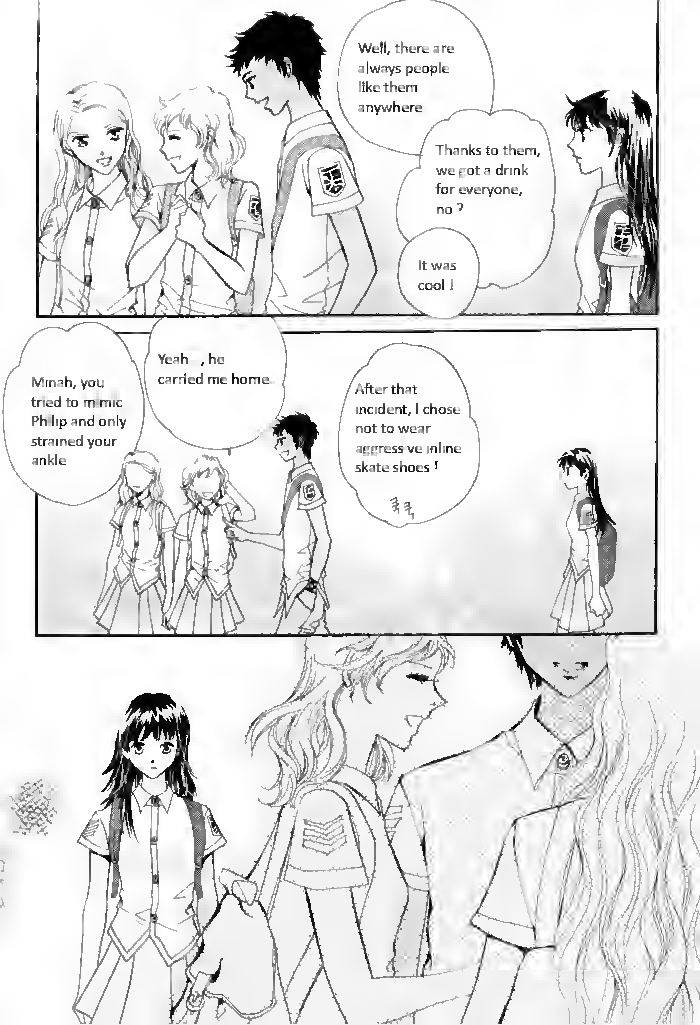
But I don't think my mind is deep enough ...

To be satisfied with only that.

Mmah do you recall the event at middle school graduation ?
Ah !
About your shoe going off when you were going up to make a speech ?
Did you know that the same thing happened when I was making a speech for high school ?
What ? No way ... !
Yes way The weird thing is the shoes were both gifts
On the last road run, we visited the olympic park
Yeah, then we got in a competition with the Aggressive club
Philip was amazing !
I hate to admit it, but I was awesome



Well, there are always people like them anywhere
Thanks to them, we got a drink for everyone, no ?
It was cool !
Yeah , he carried me home.
Minah, you tried to mimic Philip and only strained your ankle
After that incident, I chose not to wear aggress ve inline skate shoes !
ㅋㅋ

Shh
Don't yell

They haven't even noticed that you've been abducted What's with them?
They are my clubmates.
Getting bullied ?
I chose not to get myself involved ! I don't share their memones

But it's been like this for a while now
Are you really a stalker?
Your club room is located on the same floor of sen or classrooms, you know
You make me angry with your tone
What's stopping you from quitting? Quit I will play with you
Play with me? What do you think I am, a doll?

Why ?!
Why are you doing this to me ?
No, I am purposing that I'd become your doll.
To make look better in front of you of course.

.....
You are so blunt. I can't talk back to you.
Bye !
Even if everyone else leaves you in this world,
As..... as I am here, you won't be alone.

Remember that
I am very used to being alone
I don't know why you are doing this to me
But you are years late to say that to me

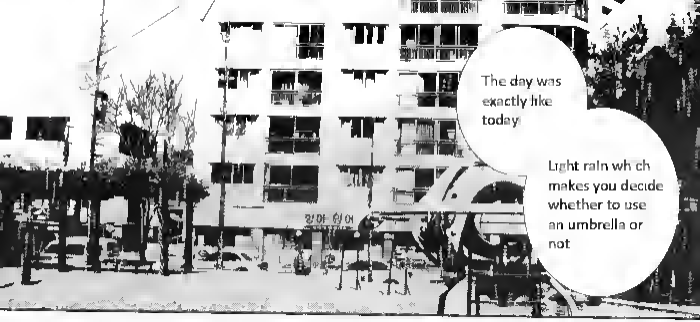
I was caused by an accident at work
I am sorry that I haven't been paying much attention at the shop. I've been visiting a hospital.
No ...
The wound reopened ?
It's just due to the bad weather.



I was studying overseas at that time. I came back to Korea for a break and couldn't contact your father.

When I managed to call his work, they told me that he was hospitalized.

I rushed to where he was hospitalized. He was in a bed alone.

His doctor at the that time told me
That he spent 4 days in critical condition without any visitors
How come ?!
Where were grand mother and Wha ?
It was the day she passed away

The hospital repeatedly called home but no one picked up.
That stupid hospital— Just because he had no one to sign for his surgery, they let him just lay there. When I got there, it was already late for him to get proper surgery
After surgery, he was warned that he may not beable to walk properly, but he overcame the odds and started to gather you girls.
So what if he is not Austin ? He has done enough
Geez...

Although the situation may have not become the worst...
If that bitch signed a form and helped him out...
... the bitch ?
Your mom s sister

Don't you remember at all ? You three used to live with her
.... No, I don't have memories of it.
It's past now — but your family went through a lot of hardships because of her
She was a perfectly fine lady otherwise
She treated me really well whenever I went to see your mom
She hasn't been in contact for so many years now, so I don't even know whether she lives
I do wonder what kind of reaction she d show if she finds out that the family has reunited
Let's just say that she had weird attachments to your mother

I wonder if she will try to beak the family apart agfain...

Why do you like it ?
Yes.
How do you like it ?
Hmph... blood is very mysterious
What do you mean ?
I just like it
I cannot let you borrow it
Or rather it doesn't matter.

That is your father's most favorite photobook
I am absolutely certain that he has one at home somewhere

He did— pictures ?
We went to the same photo club
Filming was my major and it wasn't for your father but he knew more than I did.
So when your father quit filming I was like really mad over his decision

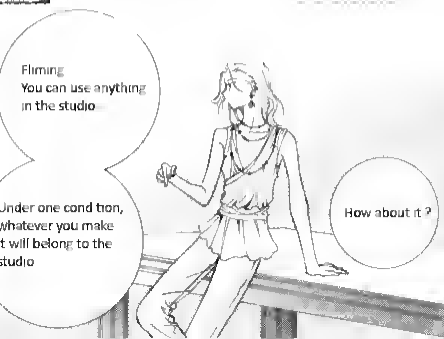
He had talents. Not only that, he travelled just to take pictures
There was this one time when he went out to take picture with three of you
Your mom was not available, so I had to go with him. You girls couldn't stay out, so it was huge headache for me to look after you
Still the three of you on a snowly field was pretty
I really like his face whenever he looks at the pictures.
FYI, it was a [illegible] face.

And this ...
It's not that bad.
Is this the trend in your generation ?

Yep.
It's just you.

Wha, you wanna try this ?

Yes ?



Fliming
You can use anything in the studio
Under one condition, whatever you make it will belong to the studio
How about it ?

I 've never seen her smile like that, especially in front of her.
Yeah, she seemed really happy.
I bet only Mong would make such a joke out of her boyfr end
Don't you th nk so ?
Hey, are you listening?
Mong was really mean ! a film ! That was a killing blow to my pride !
And thanks run out since she like she was use anyone for her film.

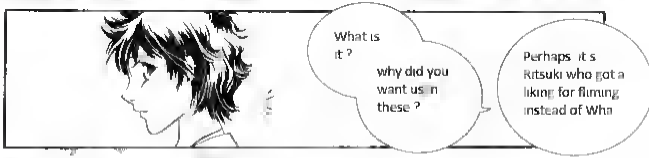
What is it ?
Where are you going ?
Wow ~ !

All these are—
Uniforms ?



What is it ?
why did you want us in these ?
Perhaps it s Ritsuki who got a liking for filming instead of Wha

Yay !
And Mong's here even

JANIMES.COM

We may be wearing different uniforms, but we all belong to the same class today.
Let's have fun
Where is everyone ?

You guys

It was a day that
I smiled without minding
others' eyes.

We played around.
We enjoyed the moment.
I wondered if I could find another moment like it ever.

The moment where I was
with my dearest friends

I'd never think that you d come up with such an idea, Ri-chan
Yeah, it was really fun !
Did I look like a classmate ?
Though ...
I d happy with just 50% of that,
Still, nothing can pay you back for the wasted 3 years in Kyoto.
And this uniform it looks really sim lar to my middle school uniform
I really felt like I was in the ideal days I ve always dreamt of !

Ri-chan...
I am sorry that...
I could not protect you in Kyoto

Let's go eat something
Did someone tell you something ?
— Did Ren tell you ?

JANIMES.COM

I can't take that
There are always some things I don't know about you !
... About what ?
What do you know about me ?

What ?
Ah
It wasn t anything like that !
Seiko told me
Is it true that you were bullied just because of me in Kyoto ?
It never happened !
I was just...
Someone who didn't need to be there at the school ...
Never ?

That was what was eating me
Because I was having the same days even when I left Mitsuru clan
Is that why you ran away?
Yes, that was all
And is it the same thing that Ren knows?

I just want to let it go...
When I left your clan and was wandering aimlessly without a place to be, someone helped me out
That was Ren
So, when I was out looking for you desperately,
What ?
Ren had known where you were all along is that what you are saying ?

So, he is no different from those around me then
I don't want him to keep binding himself to a darkside like this ...
Cursed indeed I am cursed when it comes to human relationships.
Not anymore... No more ...
There is no such curse !
Who said that ?

That was foolish of him !

Anyway I feel like I won a treasure hunting

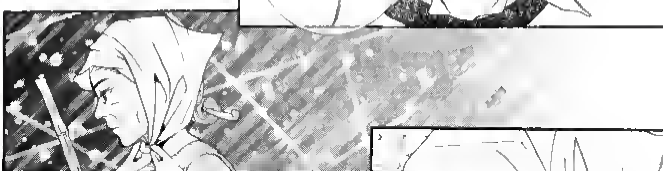
Who knows what might be in there maybe mother s or grandmother s p ctures
Nothing to lose by trying.

I will be at the store later for work
If this one doesn t work, do buy me a digital camera !
Alright, see you !
We found old p ctures and a camera in attic.
I was told that father enjoyed taking pictures, too.
Wha seems to like taking pictures
Yes, I know
Really?
This is rare... She is in good mood.
If he could make a living with it, he would have left for work.

Father couldn t make it to grandmother's passing because he was hurt really badly from work ,,

Did you know ?



Does Wha know ?

No

It is better for her not to know about it

But she hates father for it

After her passing, she refused to leave my side for a while.

She had been with me for months and had always nightmares at night.
The event had a scar that's too large to heal. She gets angry whenever I try to talk to her about it.

The fragility of her mind even hurt me.

She hated her father bloodly and even cursed him
And I felt that she needed to have a target to vent her hatred and frustration
She is sister to you and Mong
But she is like a granddaughter I've never had
She has some temper issues, but she is alright when smiles
Besides your father doesn't also want to talk to her about it
They are both hurt and have not headed. Leave them be
I am feeling the same sensation when I looked at the pictures—

Something inside of me feels ... boiling.

The film is not old. I ...
Its colors may be ... out and all. ... you sure ?

She's better than me at pretty much everything.

Greed knows no boundaries
It's childish But some has to do it for the sake of thrills

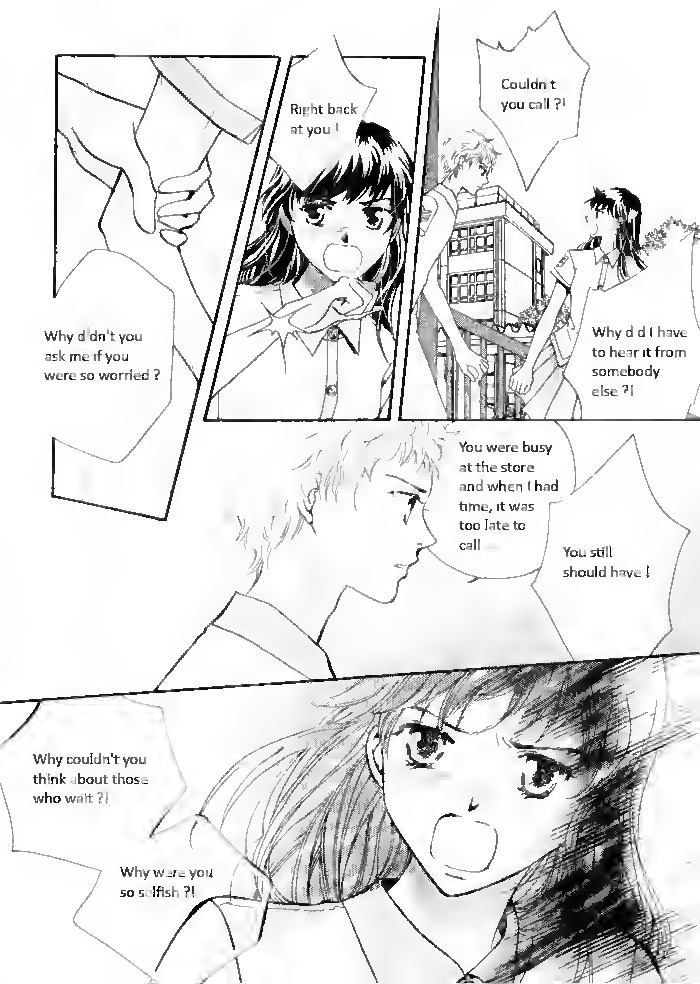
Who asked you ?

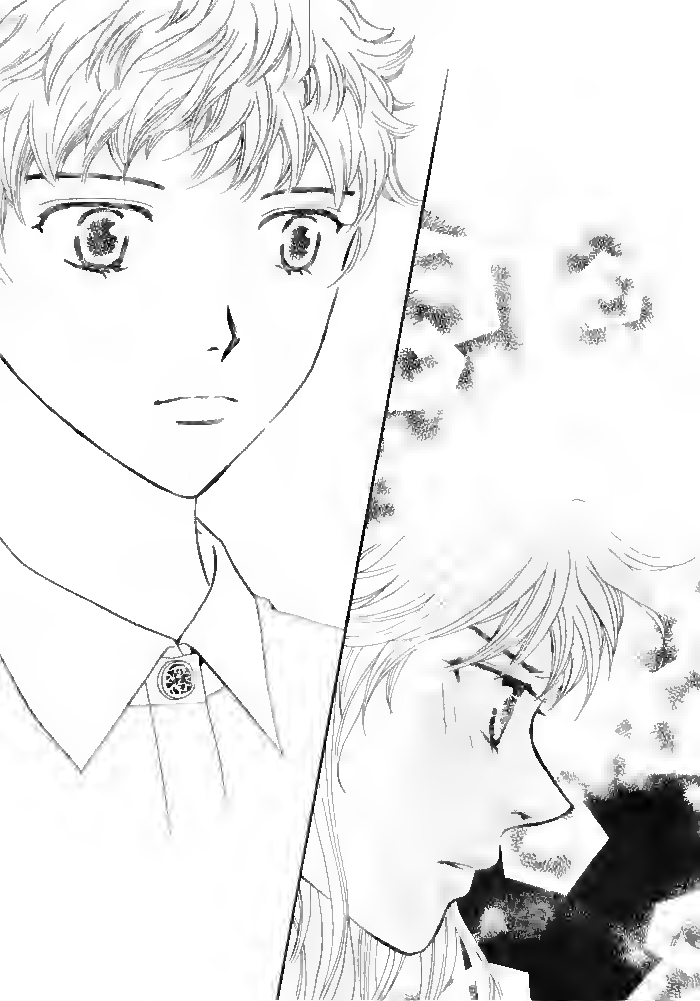
Hey, what s with you ?
Hey, wait !



Couldn't you call ?!
Why did I have to hear it from somebody else ?!
Right back at you !
Why didn't you ask me if you were so worried ?
You were busy at the store and when I had time, it was too late to call
You still should have !
Why couldn't you think about those who wait ?!
Why were you so selfish ?!

Just ...
Why are you getting so angry ?
Because I don't want you to hang out with her !
Her ?
Minah !

The girl you liked previously !



He neither
acknowledges nor denies ..
He doesn't even ask who I heard it from
Why
Aren't you
saying anything
Why aren't you saying anything ?

Wha
The class is going to start
I feel less and less
Confident –
I am sorry that I yelled !
I feel as if ... is going as Joo Hyang said ...
Wha !

It's too hard to like someone.
